

Chapter Two Character Development

Your job is to focus on the character development of the narrator you focused on within the first chapter. How have they changed from the first section of the book into the second? Has anything else been revealed about their identity? Their past? Gather evidence and compare your character between the two sections. Document important quotes that highlight their development.

Create a character sketch after you have built solid understanding.

Narrator: _____

Chapter One	Chapter Two

Summarize your findings about how they have developed:

Defining Quotes: Pick 3 quotes that show and explain the narrator's growth either through revealed information or change in attitude/perspective:

1. Page #__

2. Page # __

3. Page #__

Character Sketch: sketch what you think the narrator looks like. Consider their mood, attitude and actions within Chapter Two, how might those things play into their appearance?
